Our Shoe Uniform Policy

Students should wear rubber soled shoes that properly and safely attach to the foot and are secured by a buckle, shoe laces, or velcro straps.

---

If shoes have holes for laces, laces are expected to be present and tied.

No high heels, sandals, crocs, flip flops or boots are allowed.  
Shoes should be conservative in color and match the uniform.  
No bright colors are allowed.

Need some examples of acceptable shoes  
for the new school year?

This quick look at styles is meant to offer you guidelines.

These are not *required* shoe types,  
just guides for you to use when considering appropriate  
footwear for school.

All of these would  
match the uniform.
